

From Your Orthodontist

Dear Patients and Families,

As the number of COVID-19 cases in our area continue to surge we are increasing our precautions as you come into the office. We ask that if you have been in close contact with someone who has tested positive for COVID-19 or if you or someone in your immediate family are waiting for COVID-19 test results, that you call and reschedule any appointment that you may have with our office. Please be aware that if you do not pass the pre-appointment screening that we will have to cancel your appointment and send you home. We are sorry for any inconvenience that this may cause, but the safety of all of our patients and our staff are our main concern, as we want to be able to continue seeing our patients in the office. Also, please make sure that you wear a mask as it is required to enter the office.

Thank you so much for your patience and understanding as we continue to navigate this difficult situation.
